Better Built with More Power for Your Cooking Needs

SpeedCook Technology

Steams, microwaves, bakes and grills, increasing cooking options and allowing you to make almost any meal in the microwave. Plus, SpeedCook technology reduces cooking times compared to traditional ovens.

2.0 cu. ft. Capacity

Easily fits a 9"x13" pan and provides plenty of space to cook large dishes or multiple meals at the same time.

Better Built Components

With a stainless steel interior, hidden vent and a stainless finish handle, this microwave provides a premium look and features components that are built to last.
